		On three separate occasions, working in groups, students will create and record an original conversation. They will be required to post the conversation for the rest of the class to view. Each student will also be required to view and write reports of the other students' three conversations.  Create and record one conversation: 75 minutes.  View and report on others' conversations: 75 minutes	
授業を通して身に付けることができる能力(DP)	practices of	ll gain confidence to communicate in English. This course will follow the training and f the Diploma Policy. )学びを、実務や社会で応用できる能力.	
	【身に付くス 表現力・ク	ミキル】 ブローバルな視野	
到達目標	Objective: By the end of the course, students will have gained the communicative competence to discuss virtually any topic informally. Students will have gained confidence in the skills (tools) they possess. Students will be able to employ each of their own strengths (tools) to best advantage. Students will gain skills to continue to improve their English language abilities outside of the classroom, even after the course has ended.		
課題や小テスト等 のフィードバック の方法	Feedback method: As this course is task-based, students will receive feedback in the form of tangible points given at the completion of each and every task. Students will also have the opportunity to provide feedback to both the instructor and other participants during each class session.		
履修上の注意	Course Notes: Attendance is vital, as is bringing your textbook to every lesson. Although not required, a vocabulary notebook dedicated to this class is highly recommended.		
成績評価の方法・ 基準	Evaluation Method: Grading is based on a system of points. In order to earn a grade, each student must collect enough points to achieve it. Points are given for classroom participation: 60%.		
		100	

++ >#+	must collect enough points to achieve it. Points are given for classroom participation: 60%, homework assignments: 20%, and quizzes: 20%. Attendance is essential for success as points can only
