| 授業のねらい (概要) | This course builds on the basics of Academic English and consolidates learners' grasp of basic structures by introducing students to further vocabulary, grammatical structures and more complex academic texts. It aims at getting students to A2 level in Academic English by giving them the tools to deal with academic-oriented English at the A2 level and by strengthening their skills in academic-oriented writing/reading and academic-oriented listening/speaking. It allots each skill individual time and consideration, but also integrates them through the unifying theme of each unit in the course book. | | |
